JOB EXPERIENCE

Freelance UX Designer 2021-Current

Currently working with a small business to create a responsive e-commerce site.

Certified Nursing Assistant 2018-Current Novant, Huntersville, NC

I work with a cross-functional team of nurses and doctors to provide empathetic care to patients.

Provide direct patient care to those who are in a medical and/or behavioral health crisis.

Server/Certified Learning Coach 2015-2020 Red Robin, Charlotte, NC

Onboarded and trained 25+ employees and worked with management to create a team-encouraged work environment.

Communications Consultant, Spring 2017 UNCC, Charlotte, NC

Consulted with students on their research methods. Reviewed and edited students' literature reviews.

RESEARCH EXPERIENCE

Effects of Parental Styles on Young Adult's Self-Esteem, Research Methodology 2, Spring 2016:

Surveyed 50 UNCC students. Analyzed survey data using a statistical test called an ANOVA. Wrote a literature review on the research conducted.

Research Assistantship, Spring 2017 UNC Charlotte, Charlotte, NC

Aided in research on the uses of the app Tinder by converting qualitative data into quantitative data. Participated in the cleaning, coding, and organization of multiple data sets.

HELLO THERE!

I am a pop culture enthusiast with a love for design and research. Through research and user-centered designs, I strive to deliver delightful user experiences.
